PROJECTS

E-learning Website
I designed and created an engaging online learning platform that provides convenient and interactive educational experiences. I specialize in developing user-friendly interfaces, integrating multimedia content, and implementing learning management systems. My expertise in HTML, CSS, and JavaScript, allows me to deliver effective and visually appealing websites.

Animated Image Gallery
 I designed and developed a dynamic and visually appealing gallery for displaying images. Utilizing my skills in HTML, CSS, and JavaScript, I created an interactive and engaging user interface. The gallery features smooth transitions and animations, enhancing the user experience and creating an immersive viewing environment.
